

Gingerbread Man Art Project

Materials Needed: Construction paper(brown, variety of colors); Gingerbread Man Template; Items for decorating man (real or paper buttons; googly eyes; ribbon; cotton balls; etc.) scissors, glue and markers or crayons.

1. Have the Gingerbread Man either cutout or have patterns for students to trace and cut out. Templates are on the next sheet in this unit.
2. Have students glue features on body of Gingerbread Man using the items for decorating.
3. Draw mouth on Gingerbread man and decorate body with markers or crayons.
3. Hang Gingerbread Men up in hallway or classroom for decorations.
