The illustration features a central witch character with a brown body, a yellow and white striped shirt, and an orange skirt. She has a large, stylized flame-like hairdo in shades of yellow and orange. She is holding a purple bag with a green handle and a candy corn inside. Surrounding her are 12 candy corns, each with a different number written on it in black. The numbers are: 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12. The candy corns are yellow with orange and white stripes. The entire scene is set against a white background with a decorative border of purple and yellow shapes.
